SKILLS

- **Languages:** Python, JavaScript, Core Java, MySQL, Linux
- **Frameworks:** Spring-Boot
- **Tools/Platforms:** MySQL Workbench, GitHub, VS Code
- **Soft Skills:** Problem-Solving Skills, Adaptability, Collaborative, Leadership, Communication

PROJECTS

- **Income Expense Tracker using HTML, CSS & JavaScript** October 2024
 - **Goal:** Aimed to acquire fundamental skills in web development by creating a fully functional income expense tracker using HTML, CSS, and JavaScript.
 - **Description:** Built and structured web pages with HTML, applied advanced styling techniques using CSS, and integrated dynamic features using JavaScript to improve user interaction.
 - **Learning Outcome:** Gained hands-on experience in front-end development, enhanced knowledge of web design principles, and developed a strong foundation in creating interactive and responsive websites.
 - **Tech used:** HTML, CSS, JAVASCRIPT
- **Created a Payment Management System using MySQL, Python and its Libraries** October 2022
 - **Goal:** Developed a robust payment processing system to handle financial transactions efficiently and securely while learning Python's financial and database libraries.
 - **Description:** Built a comprehensive payment processing application that manages user transactions, implements secure payment verification, integrates with a database for transactional logging and generates detailed financial reports.
 - **Learning Outcome:** Acquired expertise in handling financial data processing, gained practical experience with Python's libraries and developed skills in implementing secure transaction systems with proper error handling and validation

CERTIFICATIONS

- SQL for Data Science June 2021
-by UC Davis (Coursera)
- Google Ads for Beginners November 2020
-by Coursera project network

ACHIEVEMENTS

- **Won Nationals at Jr. National Basketball Camp** November 2017
At Jamshedpur, Jharkhand
- **Won Gold Medal at State Level Judo Championship** October 2018
School level competition

EDUCATION

- **Lovely Professional University** Punjab, India
Bachelor of Technology - Computer Science and Engineering Since August 2024
- **Loyola Convent School** Ranchi, Jharkhand
Intermediate; Percentage: 88.0% April 2021- March 2023
- **TATA DAV Public School** Ramgarh, Jharkhand
Matriculation; Percentage: 90.0% April 2020 - March 2021
